## Who will benefit from this project?

Children with the need for support in the following areas:

- difficulty in concentrating
- insecurity and fear
- traumatization
- pronounced shyness
- disturbed self- & external perception

But of course also if you need advice in other areas.

- abnormalities in language development
- motor restrictions
- restlessness
- attachment difficulties
- ADD / ADHD

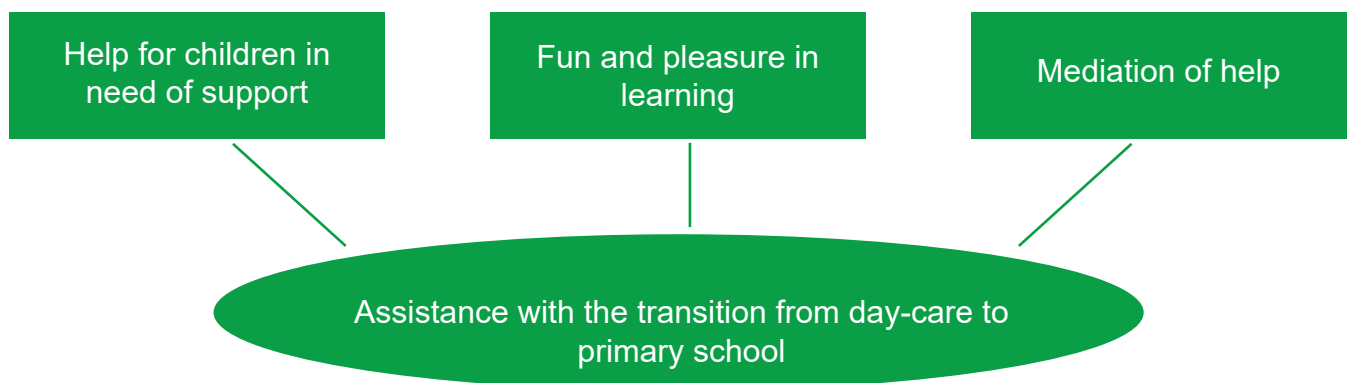

## Who is this project for?

The project is aimed at children with a need for support:

- who switch to a primary school in Gronau or Epe after day-care and
- who are likely to have problems transitioning to primary school.

Inclusive project of the city of Gronau for the transition from daycare to primary school.

## What does the project offer?

➔ You can obtain information sheets and inquiry forms from your day-care centre or from us on request.

➔ There is no legal entitlement for your child to join the project

## What happens after registration?
